2. Water Wells Schedule Update

COMMENTS - Current Meeting:

Pat Flood, Public Works Director reported that the Water Wells Project is underway with Lakeshore Engineering. Water wells should be operational in August and be fully online in September, 2017.

The Fowler Street traffic light will come online on Tuesday, April 25, 2017.

The crosswalk at Fowler Street will be part of the Streetscapes project.

ITEM 7. DRAFT REPORTS (Staff presents draft report prior to formal presentation to Council for action)

1. Discuss RFP 2017 - 07 - Food and Beverage Sales at Amphitheater

The City released RFP 2017-07 requesting proposals for Food and Beverage Sales at the Amphitheater. There was one (1) proposal received. The bidder was Premier Events. The bidder's proposal is attached as well as the RFP that was released. Seeking to discuss rfp and bidder's proposal with Council.

COMMENTS - Current Meeting:

Preston Pooser, Parks and Recreation Director presented the low bidder to Council for the amphitheater food and beverage sales for the 2017. They are asking to be allowed to sell beer and wine.

Summer Concert Series. The low bidder was Rob Frazier with Premier Events. This is the same company that hosted the Art/Wine Festivals in the past. They work with KSU and handle half the festivals in Atlanta.

Council Member Potts asked about the thought process for additional bathrooms. The City Manager stated Council could make this a SPLOST project in the future. Preston stated he would like to expand his current office space above the park to make a concession area and bathrooms.

Revenue from concession, and food beverage sales will help pay for construction and cost for concerts. We currently use Hotel/Motel Tax money that could be better used to pay for parking needs per the City Manager.

Having a company handle the food and beverages sales/vendors is going to free up time of our staff to handle other matters that come up when you have 10,000 people coming to see a concert - like the matter of not allowing tarps on the grass because it kills it.

There will be a family fun zone where alcohol will not be allowed. Mayor wants our officers to enforce this. The size of the area will be determined by the type of concert we have and will also be trail and error.

In ten years, the City Manager reported he has only had three alcohol related issues at the concerts and zero complaints from attendees. The biggest complaint staff receives is smoking.

The City Manager, Jeff Moon, asked Council to email any questions they have to himself or Preston and they will forward to Mr. Frazier. Mr. Frazier will be at the April 24th meeting to address those question. Council will be asked to vote on this matter that night.

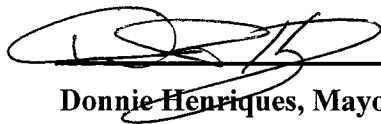

ITEM 8. EXECUTIVE SESSION - Personnel, Litigation, Real Estate

Council adjourned into executive session to discuss personnel, litigation and real estate.

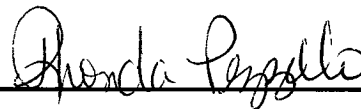

ITEM 9. FINAL ADJOURNMENT

Council adjourned.

As approved this 24th day of April, 2017.

Donnie Henriques, Mayor

Rhonda Pezzello, City Clerk
